

Task 1: *Can you go ahead and choose a game and find the instructions to understand how to play?*

Q: How clear and effective is this onboarding process?

A: Pretty straight forward, nice overview.

Task 2: Can you now play a level of the game?

Q1: How do you find the visual style of the game and its scenes?

A1: Pretty nice visuals.

Q2: How engaging and challenging is the game?

A2: the game is pretty simple could be better to have multiple objects to find in the same scene.

Task 3: Can you complete a level and proceed to the next one?

Q: How is the transition between levels and did it make sense whether you achieved the goal of the game or not?

A: transition from one level to different is easy. Especially the game screen helps navigate easier.

Task 4: Can you complete a stage/level and proceed to the next one?

Q1: How is the transition between levels and did it make sense whether you achieved the goal of the game or not?

A1: The goal was achieved. Can jump from game to game and stage to stage.

Q2: How intuitive did you find the game controls and any assistive features (hints, zoom)?

A2: Would be better if we can see an image of what we are trying to find. So example of that could be better.

Q3: Were there any aspects of the UI that could be improved for a better user experience?

A3: on the game page have a txt bar to tell user double click to zoom in. but other than that clean use of the ui is possible.

Task 5: Can you try and play the game in full-screen mode? Can you try and zoom into a character in the game?

Q: How intuitive did you find the game controls and the assistive features (zoom)?

A: Its easy-to-use full screen button.

Task 5: Can you try and find information on the developer team?

Q: How difficult was it to find this information?

A: It's easy to use the about us link. Can see the photos of the developer and can access their linkedin.

Task 6: Can you go back to the homepage?

Q1: How intuitive is it to navigate through this website?

A1: Consistent navigation bar. Easy to use and access different webpages.

Q2: How did you feel about the level of difficulty in finding the "I-Spot" game?

A2: Its easy game once you know what to look for.

Task 7: Overall Impressions

Q1: How likely are you to play this game again or recommend it to others?

A1: most likely play it again and recommend it to others.

Q2: What is your overall impression of the "I-Spot" game?

A2: I would rate this solid 8.8/10. Overall good game.

Closing..
